

I NOW PRONOUNCE

71

The room looks great
 It's all set up
 Everyone is enjoying the cocktail hour
MICHELLE. It's true they're drinking a lot
 And only a few people left so—

Look from EVA

EVA. The cocktails are delish
 They match our dresses perfectly
 And they're delicious

MICHELLE. They are I had like five

EVA. The appetizers are great
 There is so much food

MICHELLE. Nobody's eating so there is so much

Glare from EVA

EVA. I know Adam wants to see you
 He's waiting right outside

MICHELLE. I don't think he is
 I haven't seen—

EVA. He is
 And your parents want to see you
 They're done with all the
 business

START

MICHELLE. It's all cleaned up
 They got rid of the body and everything
 So fast
 It was kind of
 Amazing
 I was talking to the ambulance guys and I was like
 Have you done this before
 And then I was like
 Of course you have
 That's your job
 But I meant like specifically dead people
 Or dying people
 The Deceased
 It was amazing
 Like how do they practice that you know
 Before their first time
 There's gotta be a first time
 And before that, they've gotta practice
 And I'm thinking

They must do a shit ton of Light as a Feather Stiff as a Board
 Because
 They were so fast
 And one of them
 His name is Carlos
 And after they put everything in the ambulance
 He came back
 And he told me he would show me how they practice
 If I wanted
 And asked for my number so he could take me on a date
 And I said
 I have this wedding I'm going to
 And I don't have a date
 So why don't you be my date to that
 And he said sure when is it
 And I said now
 And he said well my shift isn't over 'til 10
 And I said I'll still be here at 10
 So he should come
 And then I giggled
 And he was like what's so funny
 And I said
 When I said you should come I meant come to the party like this wedding
 party that we're at now, or that's like happening in a bit, I didn't mean come
 like
 (Sexually)
 So please don't take it the wrong way
 This is my friend's wedding
 And he was like
 I didn't mind it anyway
 And I was like
 I don't mind it every way
 And then he had to get back on the ambulance
~~EVA. Go outside~~
~~MICHELLE. What~~
~~EVA. Go outside~~
~~MICHELLE. Nikky needs us~~
 Nikky I'm here for you
 I'm not going anywhere
 Even if you stay in there all night
 And even if Carlos comes back
 (And even if he is still wearing that uniform)
