EVA. What do you think?

SETH. I think you are funny

In a good way

And honest

And pretty

Even though you don't think you are

And I think we have to live while we can

EVA. I meant about my speech

*They kiss some more and it builds*

*No condoms, but fuck that, they have cue cards*

START

---

*Elsewhere—a hallway, a corner*

MICHELLE *dials on her cell phone*

MICHELLE. Hello?

Hi may I please speak to—

Michelle

No I'm okay

This is an emergency

My heart is breaking

I'm totally kidding

I

Hello

*She dials again*

Hi can I please speak to Carlos

No it is he works there Carlos the ambulance driver

I'm totally serious

No wait don't hang up please I really think there's a chance he could be the love of my life—you know when you just click with someone?—and I think he's confused about where to meet me and—

Hello

*Dials again*

Hi

Yes may I please speak to a female operator

I think she'll understand me better

Michelle

I'm at—I don't know the address

Like when I have sex?

Oh I'm safe here, I'm trying to talk to Carlos who I met him on a call earlier today and we had this connection and—

But your job is to help people and—

No I'm not On Something, are you?

*She looks at the drink in her hand*

I don't know, a few

Well I'm not going to anyway, because you guys are useless and I don't know why I called 9-1-1 for HELP in the first place and maybe you should think about not doing so much false advertising

Hello?

*A beat*

*She goes back to dialing*

DAVE, *back at the microphone*

DAVE. I would like to apologize for using a certain word earlier  
Apparently the term pussy shit offended some people and I am sorry if the term

Pussy Shit

Was offensive to you

Apparently some of you are a little Traditional

So I will watch what I say

Much like a husband may have to watch what he says

To accommodate his wife's every irrational whim

She may tell him to make his friend apologize for no fucking reason and he will

Because marriage is signing up to surrender your freedom, in favor of doing shit that someone else wants you to do

And we are celebrating a marriage tonight

Which incidentally is an institution

That will include Nicole's pussy

It's funny

A lot of assholes spend a lot of time trying to preserve the pussy as the domain of marriage

In the name of tradition

So if you are here to celebrate a good old-fashioned traditional marriage

You should be celebrating the The Pussy
